**Fairfield Inn & Suites by Marriott® Jupiter Announces
NEW Marriott Bedding Package**

JUPITER, FL – May 5, 2006

The Fairfield Inn & Suites by Marriott® Jupiter located just off the Interstate-95 Indiantown Road exit in Jupiter, Florida proudly announces that it has completed its transition to the NEW Marriott Bedding Package in each of its 110 guest rooms and suites.

We've always made your bed, now we've made it better. On your next visit to Fairfield Inn and Suites Jupiter, sleep in our new luxurious bedding that will rival the coziness of your own bed. Experience our thicker, comfier mattresses and plush, upgraded sheets. And additional pillows fluffier than the sheep you won't be counting. Experience the new bedding collection tonight at Fairfield Inn & Suites Jupiter.

The new Bedding Package does away with the old-fashioned bedspread, featuring instead a bed topper, which we use in place of a traditional bedspread. It is laundered daily so that the entire bed gives you that great feeling of fresh linens just off the clothesline! The bed features fresh linens, lots of fluffy pillows, and generous, comfortable linens.

General Manager, Jesse Phillips, remarked, "The feedback that we've gotten from the guests has been overwhelmingly positive. It was one of the best investments the hotel has made for the guests."

"The Fairfield Inn & Suites by Marriott® Jupiter has so many great selling features and value added-services that the addition of the Marriott Bedding Package makes us the preferred hotel in the area for value and comfort," stated Assistant General Manager, Kelly Horrocks.
